

**LOOKING ON THE LIGHT SIDE
DACRON & WOOL TROPICAL SUIT**

49.95

Take it light, play it cool in lightweight suits of Dacron polyester and wool. The fabric sheds wrinkles miraculously, packs superbly, fills the bill perfectly for eight months of the year California wear, is just what experts suggest for travel. And the lightweight price makes it especially refreshing. Tailored and detailed with the care for which you expect to pay more, it awaits you in smart new conventional shoulder models with single pleat trousers or natural shoulder models with plain front trousers.
